

POISON (in 4/4)

G D
There is poison in the water – poison in the air
C D
it doesn't have a color – it's spreading everywhere

C G
and they give it all these names – but I don't really care
G D
they gotta be ashamed – Stop them everywhere! – they are

refr. 2 x G F
killing weeds and grasses – poison!
G F
killing bugs and rats – poison!
C
they don't care what species passes
G D
into extinction – they are just stats

There is poison in our food – poison on the flowers
It looks so good – nature is ours

Sell that shit to farms – to companies in power
it can't do any harm – to take a poisoned shower – they are..

refr. 2 x

Now there's poison in our veins – poison in our blood
It is boiling our brains – filling up our gut

There is poison in the rain – a poisonous flood
The soil is drained – Gonna throw it up! – they are..

refr. 2 x
2^e: Are they really just stats? (4x)
