

## PINK AND BLUE (in 3/4)

          C                  Am                          G  
Got your barbies for girls, your playmobil boys  
Dm                  Dm          G                  C  
Pink daughter curls and blue sons' toys  
C                  Am          G                  F  
Raised to be a woman according to plan  
          F                  Dm                  C-G  
Or a child to be forged into a man

Refr.,  
F                  Dm                  G                  C  
What's up mom, with the pink and blue?  
F                  G                  G                  C  
What's up dad, with the blue and pink  
F                  Dm                  G                  C  
What's up world, with the pink and blue  
G                  F                  Dm F                  C- G  
Who is deciding what to be, feel, .. and think?

They say boys don't wear dresses, girls don't climb trees  
Boys come to the rescue, girls aim to please  
Here is to those who do not fit in  
Neither pink NOR blue considered a sin

Refr.

They say boys can't bear children, girls don't have balls  
And bodies of choice are against natures' calls  
Here is to those who refuse to live the lie  
Escaped from a cage, like birds in the sky

Refrein 2 x, 2<sup>e</sup> x eindigen op C.
