Spying eyes in the shopping mall  
F D  
Someone might just try to steal  
D G  
from the profit in the bosses pockets

Spying eyes on every corner  
Spying eyes over city life  
Someone might just sleep on the street  
or busk or beg for money

Make sure you mask up right – when you smash the spying eyes tonight

They are setting up their camera's and they say it's for your safety  
and they tell you it's secure, their spying eyes

Spying eyes in bus and train  
Spying eyes at every station  
Someone might just ride for free  
or spraypaint some graffiti

Spying eyes on roads and borders  
Spying eyes always on the chase  
Someone might just go somewhere  
without asking for permission
